Eco Committee Action Plan - 2023-2024

Use K2n data to help lower energy consumption in the school	Mr Cobb to attend course on how to use this new data platform to help lower energy consumption in our school. Feedback to eco committee and teach them how to use the data and implement actions based on this data. E.g. speak to Cardiff Council and ask to change times on boiler.	Mr Cobb Eco Committee	0	Spring/Summer 2024	Over time, the data will show a decrease in electricity and gas consumption.	
Energy saving assembly celebration.	Committee to plan and lead an assembly on how to save energy around the school and why it is so important today and feedback on what we have achieved by using annual report produced by K2n.	Eco committee Whole School	0	Summer 24	The annual report will show a saving of energy based on previous years.
