

St Joseph's Primary School Parent/Carer Code of Conduct

St Joseph's Primary is a caring school which aims to create a stimulating, learning environment in which every individual has the opportunity to be the best they can be.

Our mission statement:

"We grow together in God's Love as we pray, learn and play

Dyn ni'n tyfu gyda'n gilydd mewn cariad Duw wrth i ni weddio,

dysgu a chwarae"

Code of Conduct

At St Joseph's Primary School we value our strong relationships with parents and carers. Together this helps us achieve the very best for the children in a mutually supportive partnership between parents, class teachers and the school community.

As a partnership, our parents understand the importance of a good working relationship to equip their children with the necessary skills for adulthood. For these reasons we continually welcome and encourage parents and carers to participate in the life of our school.

*To truly create the best outcomes for children requires the relationship between home and school to be based on the principles of **care, integrity, trust** and **mutual respect**. The maintenance of this relationship is important to ensure that a child or children are safe and not open to undue stress and anxiety.*

Guidance

Parents, carers and visitors are reminded:

- To respect the caring ethos and values of our school
- That both teachers and parents need to work together for the benefit of their children
- Approaching school staff for help to resolve an issue is done in a proper manner
- All members of the school community are treated with respect using appropriate language and behaviour
- The school needs to work with a child in order to clarify their version of events in order to bring about an appropriate solution to an issue
- To correct their child's actions especially where it could lead to conflict, aggressive or unsafe behaviour- both on and off school premises
- To use other strategies rather than using "staff" as threats to admonish their children's behaviour

In order to support a peaceful and safe school environment the school will not tolerate parents, carers or visitors exhibiting the following:

- Disruptive behaviour which interferes or threatens to interfere with any of the school's operation or activities anywhere on the school premises
- Any inappropriate behaviour on the school premises
- Using loud or offensive language or displaying temper
- Threatening, in any way, a member of school staff, visitor, fellow parent/carers or pupil
- Damaging or destroying school property
- Sending abusive or threatening emails or text/voicemail/phone messages or other written communication to anyone in the school community
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parent/staff, at the school on Facebook or other social sites (see Appendix 1)
- The use of physical or verbal aggression towards another adult or child. This includes physical punishment against your own child on school premises

St Joseph's Primary School Parent/Carer Code of Conduct

- Approaching someone else's' child in order to chastise them because of the actions of this child towards their own child (Such an approach to the child may be seen to be an assault on that child and may have legal consequences)
- Smoking, taking illegal drugs or the consumption of alcohol on school premises (Alcohol may only be consumed during authorised events)
- Dogs being brought on the school premises (other than guide dogs)

Should **any** of the above occur on school premises the school may feel it is necessary to take action by contacting the appropriate authorities and/or sadly, consider banning the offending adult from entering the school premises.

Thank you for abiding by this policy in our school. Together we create a positive and uplifting environment not only for our children but also for all who work at and visit our school.

Please can parents and carers ensure they make all persons responsible for collecting their children aware of this policy.

APPENDIX 1

Inappropriate use of Social Network Site- Social media websites are being used increasingly to fuel campaigns and complaints against schools, school staff and in some cases parents and pupils.

The Governors of St Joseph's Primary School consider the use of social media websites being used in this way as unacceptable. Any concerns you may have about the school or your child/children must be made through the appropriate channels by speaking to the class teacher, Headteacher or Chair of Governors, where they will be dealt with fairly, appropriately and effectively for all concerned.

Libellous or Defamatory posts- In the event that any pupil or parent of a child at our school is found to be posting libellous or defamatory comments on Facebook or any other social network sites, they will be reported to the appropriate "report abuse" section of the network site. All social network sites have clear rules about the content which can be posted and they provide robust mechanisms to report content or activity which breaches this. The school will also expect that any parent/ carer or pupil removes such comments immediately.

Cyber Bullying- We take very seriously the use of cyber bullying by a child or parent to publically humiliate another by inappropriate social network entry. We will take and deal with this as a serious incident of school bullying.

The school will also consider its **legal options** to deal with any such misuse on social networking and other sites.
