Welcome to the virtual playground!

Here you can record messages to your friends (*saying how much you miss them*) and share fun stories about what you are doing at home.

This is also the place to **share your best pieces of home learning with the rest of your class!** I'm sure everyone would love to see what you've been up to!

Have you produced an amazing piece of artwork? If so, share it here!

Please share and discuss the work you are most proud of.

Your classmates will be able to watch and comment on your videos. You can comment too!

*Mr McHugh* will view all videos and comments before they appear on the grid. **Remember to have fun, share your learning, and leave a comment.**  
Good luck!

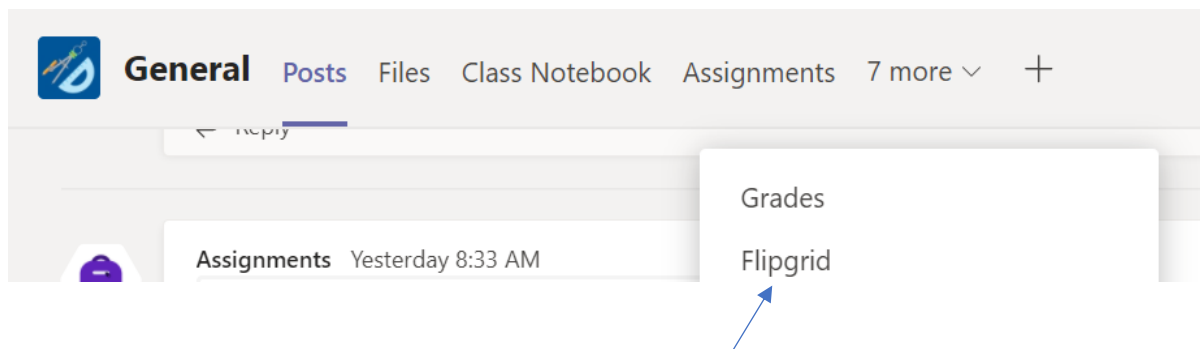

## Guidance

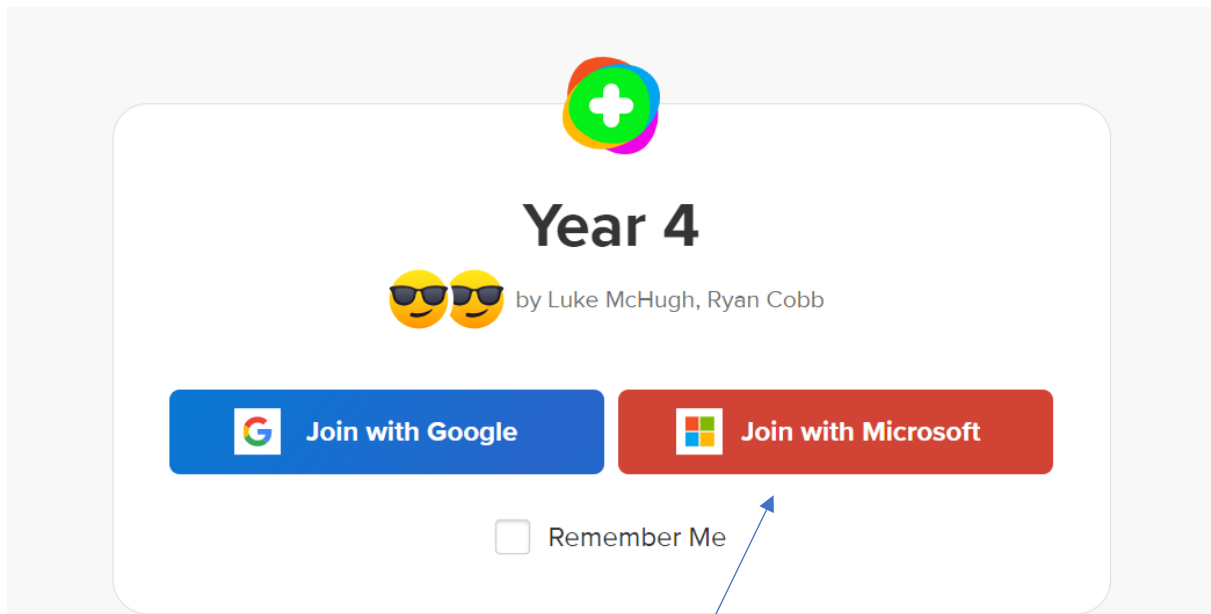

We know how important it is to you to see your friends and to be able to share your thoughts with them. This is why we have created the 'Virtual Playground'.

By clicking on the Flipgrid tab on Microsoft Teams, you can leave video messages for your friends, share your best work and comment on videos. Let's spread some happiness in these difficult times!

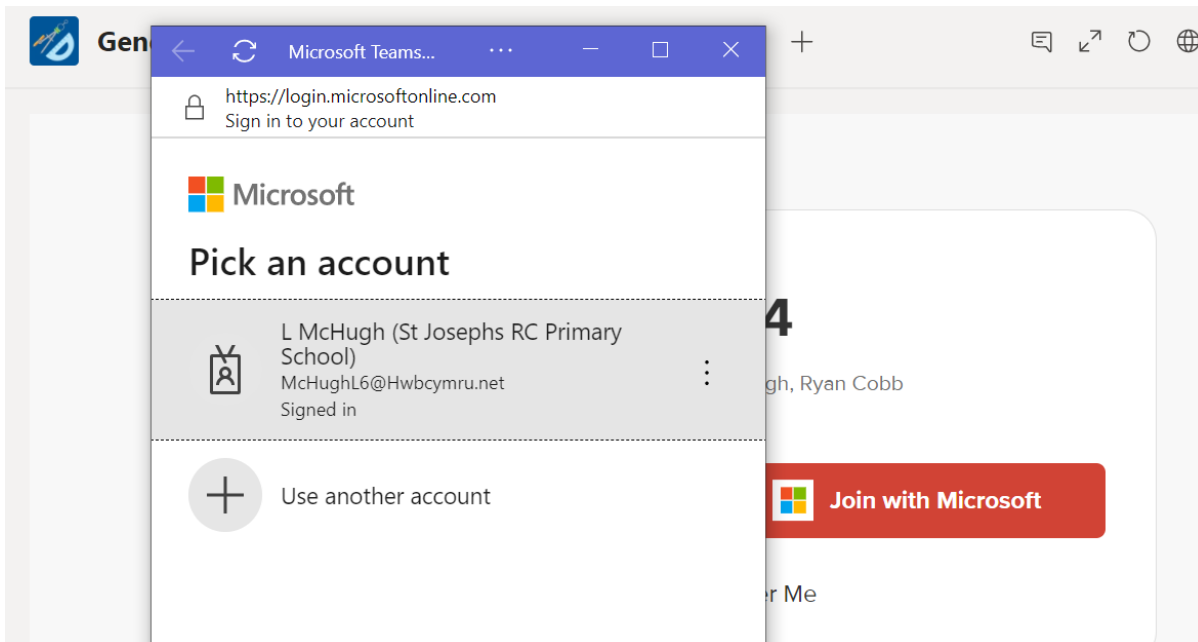

**Here's how you do it:**

Click on '**more**' (if necessary) and select '**Flipgrid**'.

Do not tick '**Remember Me**' and select '**Join with Microsoft**'.

Click on your account.
