A busy week again! This week we highlighted Anti bullying week with the theme 'Choose respect' . Pupils completed activities highlighting how we can all respect each other though we may be different, culminating with an assembly on Friday and our 'Odd Socks' day, encouraging our children to look at how though we are the same, we are also unique. On Monday the whole school remembered Armistice Day with two minutes silence as the clock struck 11.00. Our children were very reverent and throughout the day classes learnt to remember the men and women who lost their lives serving in the two world wars and other conflicts.

On Tuesday and Wednesday we held parents evening. This was very successful with nearly all parents attending to look at books and be involved in their children's learning and follow their progress. Thank you to all who attended. On Tuesday too 'Rock Steady' were in with us again. The children had a fabulous time learning and playing music. I cannot wait for their end of year show, it looks like we are going to have another amazing performance.

On Wednesday, Dosbarth Gynno Sant celebrated their class assembly with parents attending. Thank you again parents, it was lovely to see everyone there following their child's faith journey with us. We all learnt that we all have talents and that we must use them for the good of others. The children read beautifully and we were also treated to a lovely hymn sung by the school choir who meet after school. They sang like angels. Our Parent and Carer prayer group continues on a Wednesday also. We meet each Wednesday in the annex at 9.00 – 9.15. It is a really lovely way to start the day. Thank you again to all who attended this week. It is lovely to see governors, parents and staff coming together to pray this week. Each Wednesday morning just after 9.00. All are

welcome. We have tea and coffee afterwards too. If you are unable to come to the parent's and carers prayer group, there is a box outside the HT office if any members of our school community would like our group to pray for any special intention. Please put your intention in the prayer box and we will pray for you. The intentions will then be folded up and put on our prayer wall in reception.

On Thursday, St Illtyd had their prayer Service where we learnt to be thankful for our families and the kindness they show us. The children behaved really well and participated well also .

Things to look out for on the horizon. Further details to follow on Dojo:

Safeguarding

We are **all** responsible for ensuring that children and adults at risk are kept safe. This means everyone in our St Joseph's community.

How do we Safeguard at St Joseph's ?

Staff safeguard by doing the things below:

- Understand what is meant by safeguarding
- Recognise the different types of abuse and their signs, symptoms, indicators and behaviours that may indicate a child or adult is being abused or is at risk of harm
- Understand what to do if we are concerned about a child or adult at risk
- Understand our own role and responsibility with regard to suspicion or disclosure of abuse
- Understand our **duty to report** a concern or incident when we become aware of it

If a child discloses that they have been harmed we **MUST** report this to the Designated Safeguarding Person or Headteacher immediately as we have a duty of care. This is then referred to the Multi Agency Referral Hwb. Please also look at the

information on our web site on the parents dropdown under 'Safeguarding'

Keeping safe online

Social Media - All parents should be aware that children under the age of 13 are technically not allowed to have social media accounts on platforms like Facebook, Instagram, or Snapchat due to the Children's Online Privacy Protection Act (COPPA). However, many children do have accounts with parental consent, so it's crucial for parents to monitor their children's online activity closely and ensure they understand the risks associated with social media, such as cyberbullying, inappropriate content, and privacy issues. Additionally, parents should learn about privacy settings and parental controls available on various platforms to help protect their children online. Please see the following website for more information:

Please also see the information on our web site on the parents drop down under 'Online safety'.

Cymraeg Campus

Cymraeg Campus is our new welsh language charter that is taking place in schools across Wales. We have recently Gained the Bronze Award. 😊

The aim of Cymraeg Campus is to:-

- improve levels of welsh within the school
- increase pupils enjoyment of welsh
- Celebrate our nationality and all things welsh.

As part of this we have a Welsh Phrase of the week each week.

This week's phrase is:

Llinell i fyny'n dawel os gwelwch yn dda.

Line up quietly please.

Please practice with your child and use it whenever you can.

We are a Gold Rights Respecting School

As a Catholic school, along with our faith and values, the concept behind the RRS journey is at the core of what we teach and how our children develop. RRS is all about protecting the rights of our children and their families and has supported us to highlight equality, diversity and inclusion throughout the curriculum. In our rights respecting school, children learn about their rights and the responsibilities that are implied. Our children learn that if they have rights, they need to respect the rights of others. Please talk about these rights with your children.

This Month's Right for November is: Article 19

"You have the right to be safe"

Our Values and Virtues

As a Catholic School in the Archdiocese of Cardiff, we have embraced the Catholic Schools' Pupil Profile, which teaches the children a set of eight pairs of virtues to be internalised and cultivated -enabling them to grow in wholeness as fully rounded individuals in the image of God. Each half Term we explore ways in which we can develop in our virtues and values. Please discuss these virtues with your child and how they can incorporate them in to their lives. The virtues we are looking at this half term are:

"Intentional and Prophetic"

Pupils are growing to be intentional in the way they live and use the resources of the Earth: and prophetic in the example they set to others.

As always, check our ClassDojo for school messages and upcoming dates for activities by clicking next event > view all > on the horizon for all events. Check X (formerly Twitter) and Our Week on the school website for class photos of activities and events.

Cofion cynnes,
Enjoy the weekend,
Alex Riordan 😊
