Can you remember our song for the days of the week?

- You could make a caterpillar from paper plates or old egg boxes

- Which was the biggest/ smallest fruit that the caterpillar ate?
- If you go shopping, what is the biggest/smallest fruit you can see in the shop?
- Order the fruit in your house according to size
- Try and make a fruit kebab or fruit smoothie – count the pieces of fruit you put in
- Find out the favourite fruit of the people in your house – make sure you ask the question - “what is your favourite fruit?” Make a simple table and record their answers by using marks.
