

15th June 2020

Hello!

All the staff are getting very excited about the fact that we will be coming back to school and may see you in the near future! Even if we can't meet in person, we are looking at the possibility of having a virtual meet up. We think about you every day and are really looking forward to when we can all play together again.

Moving up to Reception is a very exciting time and we are discussing various possibilities for you to see your new classroom and meet your teacher. We will keep you posted!

Some suggested activities for this week.

- <https://www.topmarks.co.uk/maths-games/3-5-years/counting> - counting games
