

18th May 2020

Hello!

A big Happy Birthday to Noah who is 4 this week.

Armin and Maizey-Jay are 4 next week – Happy Birthday to you too!

I've been very busy in my garden cutting down trees. I've been sawing the trunks up into little blocks for our outdoor loose parts play. I'm looking forward to seeing what beautiful pictures you can make.

This week I thought you could make a shop.

You can use objects you find around your home.

Remember to put a price label on everything. You could make "special offer" signs or posters showing what you have on sale. Use real coins to buy and sell. Make a shopping list. Ask the shopkeeper for your items – remember to say please and thank you.

Keep singing the Jolly Phonics songs and looking at the letter shapes.

All the suggested activities I've given you so far can be repeated eg shapes, numbers, rhymes.

Have a lovely week and stay safe!

Mrs Wheeler and Mrs Brooks
