

11<sup>th</sup> May 2020

The beginning of another week. I hope you all had a lovely weekend. I know that some of you had great celebrations for VE Day – even if they couldn't be the big parties some people had planned.

Mrs Brooks has been trying to phone you all to have a little chat. We've both been missing you and all your funny stories.

Some suggested activities for this week:

- Make a chart with 2 columns. Write some colours in the left hand column. When you go for a walk, put a mark for every car of that colour you see. When you get home count the marks. Which colour car did you see most of?

Colours	Number of cars

Colours in Welsh - Coch – red, melyn – yellow, glas – blue, gwyrdd – green, du - black,

- Create a potion/perfume using an old bowl, leaves, petals, sticks, mud etc. Practice using scissors to snip the ingredients.
- Make a musical instrument from things you find in the house – old boxes, tubes, elastic bands, rice. Sing some nursery rhymes and play along with your instrument.
- Make a picture/pattern of things you find in your garden or you find on a walk
- Find objects around the house to draw around – what shapes can you see?
- Put some long string or wool on the floor. Can you tip toe along it and stay balanced?
- <https://www.youtube.com/watch?v=NCoAuxfMgy4> Jolly Phonics phase 2 – i,n,m,d
- <https://www.letters-and-sounds.com/> - a really good website with lots of ideas and resources!

Have a lovely week and stay safe!

Mrs Wheeler and Mrs Brooks
